(Wayne C. Thompson)

When I left Tulsa Jamie was an innocent young lady  
God only knows why she gave herself to a guy like you  
She called me cryin' said she was gonna have your  
baby  
You just turned your back on her like all cowards do.

I swore I'd get you for what you're puttin' her through  
And the only reason I ain't got you  
Jamie cried and begged me not to  
She still loves you for some reason

But don't let the sun set on you in Tulsa  
Don't let the sun set on you in Tulsa  
If the sun goes down on you  
If you're still here you're goin' down too  
Don't let the sun set on you in Tulsa.

--- Instrumental ---

Jamie is the only thing I ever really cared for  
She don't deserve this kind of shame  
She's carryin' the child that you're to blame for  
You just laughed and said  
There ain't no way it's gonna get your name.

But I swore I'd get you for what you're puttin' her  
through  
And the only reason I ain't got you  
Jamie cried and begged me not to  
But I ain't through with you yet  
Don't let the sun set on you in Tulsa.

Don't let the sun set on you in Tulsa.  
Better not let the sun set on you in Tulsa.  
Don't let the sun set on you in Tulsa...
