When we dance together my world's in disguise
It's a fairyland tale that's come true
When you look at me girl with those stars in your eyes
I could waltz across Texas with you

Waltz across Texas with you in my arms
Waltz across Texas with you
Like a storybook ending I'm lost in your charms
And I could waltz across Texas with you
[steel - piano - banjo]
My heartaches and troubles are just up and gone
The moment you come into view
With your hand in mine dear I could dance on and on
And waltz across Texas with you

Waltz across Texas with you in my arms...
