I can hear the wind blowin' in my mind  
Just the way it used to sound through the Georgia pines  
You were there to answer when I called  
You and me Lord knows we had it all

Remember how I used to touch your hair  
While reaching for a feeling that was always there  
You were the best thing in my life that I recall  
You and me, we had it all

I know that we can never live those times again  
So I'll let my dreams take me back to where we've been  
And I'll stay with you girl as long as I can  
Oh it was so good, was so good, mmm, when I was  
your man

I'll never stop believing in your smile  
Even though you didn't stay, it was all worthwhile  
You were the best thing in my life that I recall  
You and me, we had it all
