(Johnny Wright - Jack Anglin)

The days have been long and I have been lonesome

Recalling the dreams that never came true

Nights have been lonely but now that's all over

'Cause I've payed my debt for trusting in you.

Every day your mem'ry grows dimmer

Clouds drift away, sunshine peeps through

Every night no longer you'll haunt me

My conscience is clear, what about you?

--- Instrumental ---

It's hard to believe that you are the same one

That once meant so much that I loved so true

It's hard to know I've worshipped to wrong one

But I've paid for it what about you.

Every day your mem'ry grows dimmer

Clouds drift away, sunshine peeps through

Every night no longer you'll haunt me

My conscience is clear, what about you?

--- Instrumental ---

Every day your mem'ry grows dimmer

Clouds drift away, sunshine peeps through

Every night no longer you'll haunt me

My conscience is clear, what about you?...
