Long ago and far away
In my ol' common labor shoes
I turned the world all which a way
Just because you asked me to

Like unto no other
Feel simple love is simple true
There's no end to what I'd do
Just because you asked me

Let the world call me a fool
But if things are right with me and you
That's all that matters
And I'll do anything you asked me to

Knowing how much I love you
And after all that I've been through
I'd turn and walk away from you
Just because you asked me to
Lord, I hope you'll never do

Let the world call me a fool
But if things are right with me and you
That's all that matters
And I'll do anything you asked me to
