Long ago and far away  
In my ol' common labor shoes  
I turned the world all which a way  
Just because you asked me to

Like unto no other feel  
Simple love is simple true  
There's no end to what I'd do  
Just because you asked me to

Let the world call me a fool  
But if things are right with me and you  
That's all that matters and I'll do  
Anything you asked me to

Knowing how much I love you  
And after all that I've been through  
I'd turn and walk away from you  
Just because you asked me to  
(Lord, I hope you'll never do)

Let the world call me a fool  
But if things are right with me and you  
That's all that matters  
And I'll do anything you asked me to
