Well, you can have her, I don't want her
She didn't love me anyway
She only wanted someone to play with
But all I wanted was love to stay

The girl I love, up and left me
She ran away with my best friend
Comes home at night for just one hour
When daylight comes, she's gone again

You can have her, I don't want her
She didn't love me anyway
She only wanted someone to play with
But all I wanted was love to stay

Well you're stuck with the wrong woman
There ain't much that you can do
Just dig a hole and crawl right in it
Then pull the ground right in over you

Yeah, you can have her, I don't want her
She didn't love me anyway
She only wanted someone to play with
But all I wanted was love to stay

Life without love is mighty empty
But confession is good for your soul
I'd rather have love for just one hour
Than have the world and all of its gold

You can have her, I don't want her
She didn't love me anyway
She only wanted someone to play with
But all I wanted was love to stay

Yeah, you can have her, I don't want her
She didn't love me anyway
Only wanted someone to play with
But all I wanted was love to stay, to stay
