You mean to say you're gonna go and leave me
You mean to say that it would be that easy
You mean to say that's you I see walkin' away
What'd I say what'd I do wrong could it be I stayed here
too long
You mean to say you'd walk away from me.

You mean to say the love we knew
Is now at an end, is now at an end
You mean to say a walking away
We'll never love again, we'll never love again?

Okay, okay, you must be going
But you don't go before I'm knowing
What'd I do to make you change your mind.

You mean to say the love we knew
Is now at an end, is now at an end
You mean to say a walking away
We'll never love again, we'll never love again?

We'll never love again...
