Who do you think you are,
I won't let you crawl that far,
Its too much to bare, to much to loose,
You don't want these dead mans shoes

Cos I don't want to hurt you,
No I don't want to hurt you,
No I don't want to hurt you,

Who do you think you are,
Who let you crawl this far,
Who stole your heart and killed the stars
You wont know who they are,

You won't know who they are,
You won't know who they are,

Cos I don't want to hurt you,
No I don't want to hurt you,
No I don't want to hurt you,

Cos I don't want to hurt you,
No I don't want to hurt you,
No I don't want to hurt you.

Ok, ? Up the room, too short to stand,
too narrow to sit, so what you think about that
Ah someone scratches the walls,
but it doesn't seem to make any difference, but then
that doesn't matter
Because what you've made for me, ? ? Go on ?? You
know
So I'm trapped in here for eternity so what you think
about that
So what do you think about that

No I don't wanna hurt you,
No I don't wanna hurt you,
No I don't wanna hurt you,
No I don't wanna hurt you,
No I don't wanna hurt you,

No I don't wanna hurt you.
