I've got a couple more years on you, baby and that's all
I've had more chances to fly and more places to fall
It ain't that I'm wiser, it's just that I've spent
More time with my back to the wall

I've picked up a couple more years on you, baby and
that's all

I've walked a couple more roads than you, baby and
that's all
And I'm tired of running while you're only learning to
crawl
And you're headed somewhere but I've been to
somewhere
And found it was nowhere at all

I've picked up a couple more years on you, baby and
that's all

Saying goodbye girl, don't ever come easy at all
But you're gonna fly 'cause you're hearin' them young
eagles call
Someday when you're older, you'll smile at a man
strong and tall
You'll say, I've got a couple more years on you, baby
and that's all

I've got a couple more years on you, baby, that's all
I've had more chances to fly and more places to fall
It ain't that I'm wiser, it's just that I've spent
More time with my back to the wall

And I've picked up a couple more years on you, baby
and that's all
