I hope that I won't be that wrong anymore
And maybe I've learned this time
I hope that I find what I'm reaching for
The way that it is in my mind

Someday I'll get over you
I'll live to see it all through
But I'll always miss
Dreaming my dreams with you

But I won't let it change me, not if I can
I'd rather believe in love
And give it away as much as I can
To those that I'm fondest of

Someday I'll get over you
I'll live to see it all through
But I'll always miss
Dreaming my dreams with you

Someday I'll get over you
I'll live to see it all through
