Some people are saying that time will take care of  
people like me  
That I'm livin' too fast and they say I can't last much  
longer  
But little they see that their thoughts of me is my savior  
And they really should know that the  
[Incomprehensible] goes little faster

So pick up the tempo just a little and take it on home  
The singer ain't singin' and the drummer's been  
draggin' too long  
Time'll take care of itself, so just leave time alone  
And pick up the tempo just a little and take it on home

Well, I'm wild and I'm mean, I'm creatin' a scene, I'm  
goin' crazy  
Well, I'm good and I'm bad and I'm happy and sad and  
I'm lazy  
I'm quiet and I'm loud, I'm gatherin' a crowd and I like  
gravy  
About half off the wall but I learned it all in the navy

So pick up the tempo just a little and take it on home  
The singer ain't singin' and the drummer's been  
draggin' too long  
Time'll take care of itself, so just leave time alone  
And pick up the tempo just a little and take it on home  
Yeah, pick up the tempo just a little and take it on home
