Stop the world and let me off  
I'm tired of going round and round  
I've played the game of love and lost  
So stop the world and let me off

My dreams are shattered, don't you see  
Now you no longer care for me  
I missed the wonder of your kiss  
How could you leave me here like this?

Stop the world and let me off  
I'm tired of going round and round  
I've played the game of love and lost  
So stop the world and let me off

Stop the world and let me off  
I'm tired of going round and round  
I've played the game of love and lost  
So stop the world and let me off
