It's your boy TQ still keepin' gangsta round the world,
With my girl Sarah, brand new diva,
Westside,
Put your hands together,
We comin' on the whole new level

Let's get back to bed boy(yeah)
Let's get back to bed boy(give it up)

I know the time is coming that I'm telling
It's definitely you that I'm wanting
Boom, boom, boom I hear you knocking
Everytime you leave I start crying(don't cry)
Kiss me on the left, kiss me on the right
With you're uh, uh body you make me happy all night
Boom, boom, boom my heart's going
All I wanna do is stay in bed with you

Bridge:

Hey yeah, get down cause all you're gonna give you'll
get back from me(you get back to me)
Hey yeah, get down(we had planned baby)
Let's get back into bed baby

Chorus:

Monday until Sunday, we take for the foreplay
Let's get back to bed boy(come on)
Let's get back to bed boy
April 'til november, I will kiss you tender
Let's get back to bed boy(come on)
Let's get back to bed boy
Morning until evening, you should not be leaving
Let's get back to bed, right now(yeah, haha that's right)

Now you understand how I'm feeling
It's definitely love that I'm needing(that's right)
Boom, boom, boom my heart's beating
We better stay in bed(look here), I know what you can
do

TQ:

You say you wanna go to bed baby(you shut your

mouth)
Well I'd happily oblige, we'd go for a ride,
But now I'm back inside
Droptop benz with hot boys on the side(that's right)
Pull up the dough we drove for you and I
Miss Sarah, I wanna wear you like a gucci sweater
To get you all alone in a tong
I'd do whatever
Get me a bottle of Dom- I do it better
Weak up in the morning, baby stuck together
Bridge:
Hey yeah, get down(get down)
Cause all you're gonna give you'll get back from
me(you're gettin' back from me)
Hey yeah, get down(no more plan baby)
Let's get back into bed baby

Chorus 2:

â€

Morning until evening, you should not be leaving
Let's get back to bed, boy(come on)

I'm not your sister, you're not my brother,
There are so many things that we should
discover(you're dawn right)
So let's get it on, get it on with each other(yeah, come
on, give it to me baby)
Oh,oh,oh,oh

Nana nana nana nanaa
Na na nana, na na nana

Let's get back to bed(yeah, come on, give it to me now)
Nana nana nana nanaa
Na na nana, na na nana
Nana nana nana nanaa
