(scream)

Theme

Now I understand (ha, ha, ha)

Now I understand (ha, ha, ha)

Theme going on and on and on

It's not the same anymore

No, never, never no

Wish

Wish

Wish I could die

Now walk alone

Now walk in drain

Does not compute

Not a cliché

And I wish I could die (ha, ha, ha)

Random

There is only one reaction

You must never underestimate

And I wish I

And I wish I could die (ha, ha, ha)

Now understand

Now I understand

It doesn't matter no more

Another leap in the dark

I will survive

And I wish I could die

And I wish I could die

And I wish I

I wish I

I wish I could die (ha, ha, ha)

It's only excuses

Never mistaking

Rhyme or reason

No, never no never

And I wish I could die

And I wish I
And I wish I could die (ha, ha, ha)
I wish I could die

Understand
Theme's going on
On and on and on
I wish I could die

No, never no more
Does not compute
Walk alone out of the drain
It's not cliché
Wish I
Wish
Wish I could die
And I wish I could die (ha, ha, ha)
And I wish I could die

On and on and on and on
Will survive
I wish I could die
I will survive
I wish I could die

Understanding doesn't matter no more
Leap in the dark
I will survive
Wish I could die
Wish I could die
Wish I could die
Wish I could die

I just died

Terminal boredom
