Someone told me of a dream
Killed along the lost highway
But to me, it seemed obscene
Like Satan laughed and spread his wings

But if I asked you what you saw
Would you say you saw it all?

Angels burning in sin and flame
Draped across the lost highway
Carry your burdens to your grave
Let outside love guide your way

Someone told me of a dream
Where outside love reigned supreme

To carry your burdens to your grave
Let outside love guide your way
Someone told me of a dream
Where outside love reigned supreme

Yeah, someone told me of a dream
Where outside love reigned supreme
