While you lie on your back  
And move through the scars  
So careful you are  
To surrender a thing

But Jesus ain't comin'  
So don't waste your time  
Not yours and not mine  
You're only dreaming

And while you were scheming  
The silver the sheets  
Far above the leaves  
I snuck into your scene

Don't lie there, looking  
Behind your troubled walls  
Wicked as they are  
You're not deceiving

And if I could find your heart  
I would pull it from your chest  
And smash you with my fist  
'Til it was beating

And if there's a hole inside  
Heaven in your bed  
'Cause the angel that you kissed  
Just left you bleeding

I know it ain't easy  
To keep roundin' on  
When the voices in your skull  
Are always screaming

Broke into your prison  
And dropped the sleeping guards  
Painted flowers on the bars  
And snuck you out the yard

Paralyzed and gleaming

With visions of new states  
We're wrapped in our embrace  
While we were dreaming
