Baby Don't Leave Me

I love it when you cry
I love it when you do or die
I love it when you say
You wanna spend the day with me

I love your melody
That you sing to me
Every moment then away
Then someone hits your face

Woah don't leave me
Baby don't leave me
Why did you leave me?
Baby don't leave me
Alone

Baby you know that when I see
That the (?) down on me
I know that it is true
I couldn't be for one minute without you

Why did you leave me?
Baby don't leave me
Why did you leave me?
Baby don't leave me

Why did you leave me?
Baby don't leave me
Why did you leave me? (don't leave me, don't leave me)
Baby don't leave me (don't leave me)
Alone

Woah, if you leave me
Woah, if you leave me
Woah, if you leave me
Woah, if you leave me

Woah, if you leave me
Woah, if you leave me
Alone
