I left you alone,
At four in the morning, not a stitch to wear
'Cause you ignored my warning

(ooh sha la la la la, ooh sha la la)
You thought it was special
You thought I was wrong
Now I'm telling you
Baby as a I sing this song

I (I) don't (don't) love (love) you (you)
(I don't want you)
If you think that this is cruel,
Then you should see what my friends do,
I (I) don't (don't) love (love) you (you)
(I don't want you)
Leave me alone, you're just a one night stand

I saw you across a crowded room.
You smiled at me and made my heart go boom
I looked at the score sheet, and saw a seven
So I walked up to you and said:
"Baby did it hurt when you fell from heaven?"

I (I) don't (don't) love (love) you (you)
(I don't want you)
If you think that this is cruel,
Then you should see what my friends do,
I (I) don't (don't) love (love) you (you)
(I don't want you)
Leave me alone, you're just a one night stand
You're just a one night stand
You're just a one night stand
You're just a one night stand

I (I) don't (don't) love (love) you (you)
(I don't want you)
If you think that this is cruel,
Then you should see what my friends do,
I (I) don't (don't) love (love) you (you)
(I don't want you)

Leave me alone, you're just a one night stand to me
