Do you wanna play?
I know a game we could play in the dark in the day
If you know a way, do you wanna play?
It's called Simon Says and he says
You've better do what I say, do you wanna play?

Simon says you must get on your knees
Simon's telling you to beg me please
And if you don't do what I say we can't have any fun

Simon says we've gotta tie you up
Simon says those bonds aren't tight enough

And if you don't do what I say we can't have more fun
Do you wanna play?
I know a game we could play in the dark in the day
If you know a way, do you wanna play?
It's called Simon Says and he says
You've better do what I say, do you wanna play?

I know a game we can play in the dark in the day
If you know a way, do you wanna play?
It's called Simon Says and he says
You've better do what I say
