Your kisses are wasted on me
Your kisses are wasted on me
Your kisses are wasted on me
Your kisses are wasted on me
(Boy)
Can you see we're through?
(Boy)
I don't love you, you don't make me smile
For a while
(Boy)
Get out of my face
(Boy)
I'm gonna get to chase some other guy
Who I might like

And you might cry for some time
(And you don't know it, no you don't know it)
And you might try to hold my hand again
(no, you don't know it)

Your kisses are wasted on me
Your kisses are wasted on me
Your kisses are wasted on me
Your kisses are wasted on me
(Boy)
You better hear me clear
(Boy)
I want you out of here
Don't send me wild
You're just a child

And you might cry for some time
(And you don't know it, no you don't know it)
And you might try to hold my hand again
(no, you don't know it)
(no, you don't know it)
And you might cry for some time
(you still don't know it)

Your kisses are wasted on me
