Oh yeah (aha) oho (yeah) ohoho

I'm still waitin' for ya  
Oh I'm still waitin' for ya  
I'm still waitin' for ya love  
(I'm still waitin' for ya love)  
I'm still waitin' for ya  
Oh I'm still waitin' for ya  
I'm still waitin' for ya love  
(I'm still waitin' for ya love)

Sweet little girl  
You and me together  
Is all I'm dreamin' of - oh yeah  
Just one look  
And then I knew  
All I'm longin' for is you (yeah, yeah)

Oh - all alone  
I'm standin' at the phone now  
There is no one callin' - no one callin'

I'm still waitin' for ya  
Oh I'm still waitin' for ya  
I'm still waitin' for ya love  
(I'm still waitin' for ya love)  
I'm still waitin' for ya  
Oh I'm still waitin' for ya  
I'm still waitin' for ya love  
(I'm still waitin' for ya love)

Please forgive me  
But I can't resist you (don't be shy)  
There is so much I would do  
For you  
Your tender kiss  
And your pretty smilin' (smilin')  
Is the only thing I need (aha) - oh yeah

Don't forget (don't forget)  
What I'm feelin' for you

Baby I can't live without your lovin'

I'm still waitin' for ya  
Oh I'm still waitin' for ya  
I'm still waitin' for ya love  
(I'm still waitin' for ya love)  
I'm still waitin' for ya  
Oh I'm still waitin' for ya  
I'm still waitin' for ya love  
(I'm still waitin' for ya love)  
Oh yes I do

Okay dok  
You wait for me to walk on by  
Honey don't hesitate  
don't be shy  
You were wastin' your time  
By waitin' too long  
Young Deenay is comin' after  
Sasha, kick this song

I'm still waitin' for ya  
Oh I'm still waitin' for ya  
I'm still waitin' for ya love  
Oh I'm still waitin' for ya love

I'm still waitin' for ya  
Oh I'm still waitin' for ya  
I'm still waitin' for ya love  
(I'm still waitin' for ya love)  
I'm still waitin' for ya  
Oh I'm still waitin' for ya  
I'm still waitin' for ya love  
(I'm still waitin' for ya love)

Hey little girl  
Little love me tonight (check this out)  
Hey little girl  
I wanna hold you tight (aha)  
Hey little girl  
You bring joy in my life  
And when you walk away  
It hurts like a knife (I'm still waitin' for ya love)  
Hey little girl  
Little love me tonight  
Hey little girl  
I wanna hold you tight (take the flow)  
Hey little girl  
You bring joy in my life  
And when you walk away  
It hurts like a knife (I'm still waitin' for ya love)
