Can't buy me love, money can't buy me love

Can't buy me love, money can't buy me love

Can't buy me love, buy me love

Listen

I'll buy you a diamond ring, my friend

If it makes you feel alright

I'll get you anything, my friend

If it makes you feel alright

I'll give you all I've got to give

If you say you love me too

I don't care too much for money

'Cause money can't buy me love

Can't buy me love, money can't buy me love

Can't buy me love, money can't buy me love

Buy me love, buy me love

Money can't buy me

You say you don't want them diamond rings

And I'll be satisfied

Tell me you want the kind of things

That money just can't buy

I may not have a lot to gift

But what I've got I'll gift to you

I don't care too much for money

'Cause money can't buy you love

Can't buy me love, money can't buy me love

Can't buy me love, money can't buy me love

Can't buy me love, money can't buy me love

Can't buy me love, money can't buy me love

Buy me love, buy me love, buy me love
No, no, no, no, no, no, no, no, no
Can't buy me love
