Goodbye to you my trusted friend  
We've known each other  
Since you and I were ten  
Together we've climbed hills and trees  
Learned of love and abc's  
Skinned our hearts and  
Skinned our knees.

Goodbye my friend it's hard to die  
When all the birds  
Are singing in the sky  
Now that the spring is in the air  
Pretty girls are everywhere  
Think of me and I'll be there.

We had joy we had fun  
We had seasons in the sun  
But the hills that we climbed

All our lives we had fun  
We had seasons in the sun  
But the stars we could reach  
Were just starfish on the beach.

We had joy we had fun  
We had seasons in the sun  
But the hills that we climb  
Wer'e just seasons out of time.

We had joy we had fun  
We had seasons in the sun  
But the wine and the song  
Like the seasons have all gone.

All our lives we had fun  
We had seasons in the sun  
But the stars we could reach  
Were just starfish on the beach.

We had joy we had fun  
We had seasons in the sun  
But the...
