Yellow bird, up high in banana tree.  
Yellow bird, you sit all alone like me.

Did your lady friend leave the nest again?  
That is very sad, makes me feel so bad.  
You can fly away, in the sky away.  
You're more lucky than me.

I also had a pretty girl, she's not with me today.  
They're all the same those pretty girls.  
Take tenderness, then they fly away.  
Yellow bird, yellow bird.

Did your lady friend leave the nest again?  
That is very sad, makes me feel so bad.  
You can fly away, in the sky away.  
You're more lucky than me.

Wish that I were a yellow bird, I'd fly away with you.  
But I am not a yellow bird, so here I sit  
Nothing I can do.  
Yellow bird, yellow bird.
