yo yo
get ready to be blown off
don't even speak / fuck off
bitch ya know u leavin with your head down
don't act as a fuckin clown
i have 2 ways to kill you
by rappin and shootin you
bitch turn around
before i crush your head into a pound
son shut your trap
you aint good enuf to rap
i don't need a joint to ryme
you need more like half an ounce just to find one good
ryme
i dont like to use a gun
but for this exception ill be fun
get off the stage
you belong in a cage
hey buddy ur moms trailer's that way
you came here on the wrong day
tommarows the welfare cheque pick up
why do you have to be such a fuck up
your makin this to easy for me
im still wonderin who paid your admission fee
To you
i say fuck you
sorry i just got the flow
don't forget to kepp your head low
