Don't go cryin' for me darlin'
You know this is what I gotta do
But I know I'll be back before you know it
'Cause you know I'm gunna get them A-town blues

A-town baby!

My home is on a road adorned with neon
Places that I've been most of my life
But no matter how hard I jump in the honky tonks I'm
playin'
Them A-Town blues still come around at night

Oh my goodness!

I can put on a clean shirt every mornin'
I can wear seven different kinda shoes
I get in my cab and drive all across this country
But I can just seem to lose them A-town blues
