Well me and my baby goin' out on the town
Worried 'bout nothing, gonna lay some money down
She's my honey lovin' baby, I'm her man
We're goin' juke joint jumpin' just as fast as we can
Yeah, she's my baby, my honey lovin' baby
She always treats me right
That's why I like, to take her out dancin'
Every Friday and Saturday night
[Interlude]
Lord about mornin', 'bout half past four
Me and my baby come a walkin' through the door
Both of us so tired we're about to fall down
We been out there all night, tearin' up the town
'Cause she's my baby, my honey lovin' baby
She always treats me right
That's why I like, to take her out dancin'
Every Friday and Saturday night
Well I been to Memphis, Memphis Tennessee
Down to Louisiana, down to New Orleans
I met a lotta cats that like to swing and rock
But my gal jumps down when they play beebop

Lord she's my baby, my honey lovin' baby

She always treats me right

That's why I like, to take her out dancin'

Every Friday and Saturday night
