Hey Wayne, what you goin' to do?

I'm gonna go juke joint jumpin'

(Refrain)

Well the stars are shinin' in the east Texas air

Another fifty minutes and I'm gonna be there

It's been a long drive, but everything is a goin' alright

I'm on a Bladewater highway, goin' juke joint jumping
tonight

Well the juke joints honey, where I learned how to sing

Where they honky tonk all night and Hank Williams is
king

Gonna do a little dancin', keep at it 'til broad daylight

We're on a Bladewater highway, goin' juke joint
jumping tonight

Count it down daddy!

[Interlude]

Well I might go dancin' or a shootin' pool

But it's a hep trap baby, and the cats are real cool

Well it's the real thing, it sure is a welcome sight

It's where I cut my teeth and I'm goin' joint jumpin'
tonight

Well next time you go travel brother here's a good play

You get your automobile and go to Texarkan'

You gonna do little drivin', keep at 'til broad daylight

You're on a Bladewater highway, goin' juke joint
jumping tonight

(Texaco)

[2nd Interlude]

(repeat refrain)

Yodal lay ee, yodal oh, yodal eh
