If misery was a crime, then I'd always be servin' time

So miserable am I without you

Oh how could I let you go

When you're the only one I love so

What made me throw away a heart so true

I'm missin' you

Why did I walk away and say goodbye

I'm the one with tear drops in my eye

I don't know how I'll go on

Without you here under my arm

I miss your sweet natural charm

Now that we're through

I'm missin' you

[Interlude]

Why did I walk away and say goodbye

I'm the one with tear drops in my eye

Alone forever I'll be

But my blind eye just couldn't see

That you were faithful to me

I'm missin' you

I'm feelin' blue
