[INTRO: Xzibit]

A ha (ladies and gentlemen)

Yeah, sit back and smoke a fat one. Yeah, pronto. Look
from Los Angeles

to Toronto. It's X to the Z, Xzibit. Yeah, my dog
Saukrates, spittin' at
'em. Yeah, like a automatic Philly.

[Saukrates]

Yo, revolutionary, evolutionary

Bulldozer, leave y'all with troops to bury

Clean sweep if ya smell fear in these mean streets

It's instinct, life's a bitch and she's far from cheap

I got love for my dogs hustling for defeats

Put it down for this paper, increase the real

Come wit it, run wit it, fuck wit it

Big Sauk to shock your mind and your spirits

Taste these lyrics while I spit truth on tape

Whether two inch, a DAT, or D-A-T-A

I impregnate WAX, so get mine regardless

Of anybody's set, I'm starving the artist

Who's next to me? It's the X to Z

Together we bomb MCs with text debris

Leaving y'all hard pressed to breath

Other words, nigga show love and chicks spit the
ecstasy

How real is that?

CHORUS [Xzibit] {Saukrates}

X to Z {keep it movin', movin'}

Saukrates {keep it going, going like that y'all}

Liquid MCs baby {ha, I keep it moving and moving}

{Keep it going, going, like that y'all}

[Xzibit]

See I punch beater it in fear, ask him if he's had
enough

Tan khakis, T-shirt, wife beater tatted up

Looking for props

How you explain to nigga drinking beer to the bottom
that they can't come

up
fuck ????, say what?
Stack loot so much, reach out and touch you probably
die from the paper
cuts
I see you lazy fuck, sceming on the speed demon
Keep on dreaming, give me any type of reason
To stop your breathing, yeah it's mee against the world
'Cause the eyes deceiving wide like a jet ski
Me and ____ a hard stick like Wayne Gretzky
Look I try to live where the Lolos and the sets be
I still roll dolo, let a normal nigga test me
I let you have it in the face trying to waste me
Your homies can't face me 'cause they scared for their
own safety

CHORUS [Xzibit] {Saukrates}
X to Z {keep it movin', movin'}
Saukrates {keep it going, going like that y'all}
Liquid MCs baby {ha, I keep it moving and moving}
{Keep it going, going, like that y'all}
{Feel the RUSH} yeah, feel it
{Feel the adrenaline *echoed*}
Feel the rush, feel the adrenaline

[Saukrates]
Yo, take that, take that, nigga stay back
With that fake rap, break that 'fore cats react
To your shallow ass isht, go practice
Saukrates never making wack isht, trust me son
If I'm eating, my dogs eating
Use experience for teaching without preaching
Each, and everyday I be thinking about my future
Preparing for the new world we ain't used to
Handle that, with supreme caution
Peep this mental distortion
Feeding you with grips of funk by the portions
Contort into killers could lead to abortion
Face down in a closed coffin, WHAT!

CHORUS [Xzibit] {Saukrates}
X to Z {keep it movin', movin'}
Saukrates {keep it going, going like that y'all}
Liquid MCs baby {ha, I keep it moving and moving}
{Keep it going, going, like that y'all}
Yo, keep it movin' and movin, keep it going and going
like that y'all

[OUTRO: Xzibit]
