Suddenly there come a time lately when my heart start
to sing

Start to sing
start to sing
I get pushed to the floor.
Suddenly in summertime
baby
when a storm start to blow
I could harness
could haniess
it's power to my arm.
Aiyee
aiyee
my soul unwraps tonight

Aiyee
aiyee
my soul unwraps tonight.
Aiyee
aiyee
my soul unwraps tonight

Aiyee
aiyee
my soul unwraps tonight.
Suddenly there come a time lately when I find peace of
mind

Peace for you
peace for me
I feel change in the wind.
Suddenly in summertime
baby
when your see start to rage

I could drown
I could drown
get washed up
left for dead.

Aiyee
aiyee
my soul unwraps tonight. . . .
Suddenly there come a time lately
I'm my own little one

With my spear and my shield democratically woll.
Suddenly in summertime
baby
when your fire start to burn

I can turn
I can turn
your disaster to fun.

Aiyee
aiyee
my soul unwraps tonight. . . .
Aiyee. aiyee. my soul unwraps tonight. . . .
