I kommer med våben
Og blinkende blå
Lanterner
Lakajer for de store
En plage for de mange
Som mig
Tror i I kan standse
De unge flammende
Hjerter
Morg'nen der kommer
Alt det nye
På vej
Aj aj aj
Min elskede gi'r mig
Glæden, I jager
Med hunde
Min elskede gi'r mig
To Åjne der stråler
Og ler
Glæden og smerten og håbet
I aldrig
Vil finde
Livet
De mange, der elsker
Kæmper og ser -
Aj aj aj

Compressed translation by Thomas Koppel:

You come with weapons and twinkling blue lights
Lackeys for the big ones
A nuisance for the many like me
Think you can stop the young flaming hearts
The mornings that's coming
All the new on its way

My loved one gives me the joy you're hunting
With dogs
My loved one gives me two eyes shining & smiling
Joy & pain & hope that you'll never find
Life, the many

Who love, struggle & see.
