The , or the laws that I follow
Cause of the , life today
So I'm talking I feel, , over the shadow
I turn you my hand and I'll take you today

I couldn't refill you
Cause you move , faster
Did you tried and feel like I was today
So it's down to skill
So it's just a death
But , feel it, so far away

,for ever , these, cry
How I ,

The , resistance, consider,
,different, so far away
,no one standing, then why does it all fall
, far away.
