I want to beat you up  
I don't care, 'cause I won't feel sorry  
I want to take you down  
I know that you will see in glory  
I want to beat you in  
I'll make you feel my sorrow  
I want to take you out  
I'll come find you tomorrow

Every time you leave I go down  
I'll just wait for you to turn around  
And kick your head in

I want you to let it drop  
I don't care, 'cause I won't feel sorry  
I want to mess you up  
Keep on spending time with glory  
I want to beat you up  
You make me feel so hollow  
I want to take you down  
Every word you said you'll swallow

Every time you leave, well, I go down  
I'll just have to wait till you turn around  
And kick your head in

I want to beat you up  
I don't care, 'cause I won't feel sorry  
I want to take you down  
I know that you will see in glory  
I want to beat you in  
I'll make you feel my sorrow  
I want to take you out  
I'll come find you tomorrow

Every time you leave I go down  
I'll just wait till you turn around  
And kick your face in

To fix the gash in your head
