Who's the winner of the game, who'll lose forever
The winner takes it all and holds me tight
Who's the winner of the game, who will be lonely
In the end there will be only one more man
The winner of the game

The winner of the game

I hurt, now go around
Of a brand new love with you I found
All the time I've been so blind
Cause you are always on my mind
First of all it was an illusion
And now it is only confusion
If you are lying without a doubt
There's nothing left to talk about
G.A.M.E.
Dance, will you play with me
G.A.M.E.
Is it one and only jealousy
I'm not a hero, you're not unique
Give it up, your hide and seek
What we'll find is
To be the winner of the game

Who's the winner of the game, who'll lose forever
The winner takes it all and holds me tight
Who's the winner of the game, who will be lonely
In the end there will be no one by your side
When you've lost there will be nothing by your side
Only memories, the wishes and the hopes
Who's the winner of the game, who'll lose forever
In the end there will be only one more man
The winner of the game
The winner of the game

You got all that I feel
I was so in love, I felt the heat
How could I lose someone like you
You always made my dreams come true
I can't forget the time we shared

But what is left is that I'm scared
It's more than just a heart attack
I'm feeling like a maniac
G.A.M.E.
The letters means carefully
G.A.M.E.
Leading to a misery
Treat me bad without a reason
Like to changing all the seasons
You stop the chain
To be the winner of the game
