Verse One:Sheek

Yo

Yo I'ma b-boy standin in my b-boy stance

Glock on my hip is big is the dick in my pants

You don't want nuttin wit sheek you soft as fuck

I leave a single shotgun shell on top of your truck

Wit a horseshoe to let you know you pressin' ya luck

You don't want nuttin wit kiss, nuttin wit styles

You don't wanna end up food for the crocadiles

I'd take the gun off ya waste and smack ya

And turn around and point it at ya mink and give you  
one

I'm the reason why ya peeps not in ICU

Cause believe me when you ain't watchin I see you

From the Hamptons to the place where you like to eat

I put somethin in them mams you keep thinkin is sweet

I'm in the bushes all night calm wit' the Tommy

Waitin for you to skinny dip wit' that mommy

While she waitin for the night i'm waitin for her flight

Chorus: Jadakiss

2X

No we ain't

Wit dem

Get it out ya head now

## Verse Two: Jadakiss

Yo if you should die tonight  
It's cause I said peel his cap  
We on Ruffryders now  
How real is that  
It's the kiss of death everybody know J- face  
Us gettin off similar to OJ's case  
Just better rhymes and better beats involved  
Less politics more of the streets involved  
Things always go smooth when the heats involved  
Sign today or get beat tommorow  
First one talkin that family shit  
And get a lotta doe and don't give the family shit  
I don't care how many ? you wrote  
I just wanna see how you gonna dance when your neck  
get broke  
if yall do fall down i'ma scoop the ?  
No shiny suits  
Everybody boots and jeans  
The industry is one thing being real is another  
That means i'll steal your mother

Chorus: 2x

## Verse Three: Styles

Yo if you left the peak ballin i don't feel yo ass  
I wish duke was still alive and they killed yo ass  
You can keep an industry but don't you come to the  
hood  
I got a thousand niggas like me and they feel like suge  
If you think i'm beefin for nuttin then rob me dog  
I'm from the hood  
And I ain't bee robbed before  
Tell you screw all the paper work  
You can lie in dirt  
Walk through the valley nigga tell me if the iron hurt  
Ruffryder now cause that's where the bombs at  
And i tell niggas fuck that car jack  
Take the roley out the air put the don back  
Can't wear shiney suits on combat  
Guess i got personal beef  
You worse then a thief  
Probably be your man that'll work you to sleep  
We goin put the guns down and we ain't bringin a crew  
You got friends that hate yo ass more than we do nigga
