"Find A Way"

Do you know that I still think about you?
Even though I know that it's too late.
Do you know that I'm still missing you?
Especially right now you're far away

There's no need to for you to tell me that "I'm sorry",
There's no need for you to tell me that I'm sorry,
I said I'm sorry, I said I'm sorry...

Chorus;
I've got to find a way to stop you falling into my mind
I've got to find a way to keep myself from thinking of
you
I've got to find a way to stop you falling into my mind
I've got to find a way to keep myself from thinking...
