When the sun rises again  
I will be there with you, my friend  
And I will be there  
Lookin over your shoulder

When the sun rises again  
I will be there with you, my friend  
And I will be there  
Lookin over your shoulder

Lookin after something for you  
Do you miss me the way I miss you?  
And I will be there  
Lookin over your shoulder

I wish you would miss me  
The way that I miss you  
x2

When the sun rises again  
I will be there with you, my friend  
And I will be there  
Lookin over your shoulder

Lookin after something for you  
Do you miss me the way I miss you?  
And I will be there  
Lookin over your shoulder

I wish you would miss me  
The way that I miss you  
x4

When the sun rises again  
I will be there with you, my friend  
And I will be there

And I miss you  
x4

I wish you would miss me

The way that I miss you  
x2
