And I wish that I could be
The one to pick you up,
The one when you are down,
I wanna be around,
And I wish that I could quietly
Wait there for you
Or should I be screaming?

You know
I couldn't make you mine,
and so I had to let you go
x2

And I wish that I could be
The one to pick you up,
The one when you are down,
I wanna be around,
And I wish that I could quietly
Wait there for you
Or should I be screaming?

You know
I couldn't make you mine
And so I had to let you go
