As real as it seems the American Dream
Ain't nothing but another calculated schemes
To get us locked up shot up back in chains
To deny us of the future rob our names
Kept my history of mystery but now I see
The American Dream wasn't meant for me
Cause lady liberty is a hypocrite she lied to me
Promised me freedom, education, equality
Never gave me nothing but slavery
And now look at how dangerous you made me
Calling me a mad man cause I'm strong and bold
With this dump full of knowledge of the lies you told
Promise me emancipation indispute nation
All you gave my people was our patience
Fathers of our country never cared for me
They kept my answer shackled up in slavery
And Uncle Sam never did a dam thing for me
Except lie about the facts in my history
So now I'm sitting hear mad cause I'm unemployed
But the government's glad cause they enjoyed
When my people are down so they can screw us around

Time to change the government now panther power

[Chorus]

Panther power

Panther power

Panther power

[Tyson]

Coming straight that resides within

Go toe to toe with a panther and you just can't win

Suffered fame bats suppressed the rest

The rich get richer and the poor can't last

The American Dream was an American nightmare

You kept my people down and refuse to fight fair

The Klu Klux Klan tried to keep us out

Besides drew they know no blacks allowed

With intimidation and segregation was a way for our
freedom

But now were impatient

Blacks the other skin: dead or sell outs

Freedom, equality, then I'll yell out

"Don't you ever be ashamed of what you are

It's ya panther power that makes you a star"

Panther power

[Chorus]

Panther power

Panther power

Panther power

[Tupac]

My Mother never let me forget my history

Hoping I was set free chains never put on me

Wanted to be more than just free

Had to know the true facts about my history

I couldn't settle for being a statistic

Couldn't survive in this capitalistic

Government cause it was meant to hold us back

Using ignorant, drugs, to sneak attack

In my community think of unity

But when I charged them, tried to claim immunity

I strike America like a case of hard disease

Panther power is running through my arteries

Try to stop oh boy you'll be clawed to death

Cause I'll be fighting for my freedom with my dying
breath

Do you remember that is what I'm asking you?

You think you living free don't let me laugh at you

Open your eyes realize that you have been locked in
chains

Said you wasn't civilized and stole your name

Cause some time has passed seem you all forget

There ain't no liberty to you and me we all ain't free yet

Panther power

[Chorus]

Panther power

Panther power

Panther power
