What y'all want?)

Unconditional Love (no doubt)

Talking bout the stuff that don't wear off

It don't fade

It'll last for all these crazy days

These crazy nights

Whether you wrong or you right

I'm a still love you

Still feel you

Still there for you

No matter what (hehe)

You will always be in my heart

With unconditional love

Come listen to my truest thoughts, my truest feelings

All my peers doing years beyond drug dealing

How many caskets can we witness

Before we see it's hard to live

This life without God, so we must ask forgiveness

Ask mama why God deserved to die

Witness the tears falling free from my eyes

Before she could reply

Though we were born without a silver spoon

My broken down TV, show cartoons in my living room  
(hey)

One day I hope to make it

A player in this game

Mama don't cry, long as we try

Maybe things change

Perhaps it's just a fantasy

A life where we don't need no welfare

Shit with our whole family

Maybe it's me that caused it

The fighting and the hurting

In my room crying cause I didn't want to be a burden

Watch mama open up her arms to hugging

And I ain't worried bout a damn thang, with  
unconditionl love

[Chorus: 2x ]

In this game the lesson's in your eyes to see

Though things change, the future's still inside of me

We must remember that tomorrow comes after the  
dark

So you will always be in my heart, with unconditional  
love

Just got the message you've been calling all week

Been out here hustling on these streets, ain't had a  
chance to speak

But you know, with you and me it's on G

We could never be enemies, cause you been such a

good friend to me

Where would I be without my dogs

No wonder why when times get hard

Cause it ain't easy being who we are

Driven by my ambitions, desire higher positions

So I proceed to make Gs, eternally in my mission

Is to be more than just a rap musician

The elevation of today's generation

If could make 'em listen

Prison ain't what we need, no longer stuck in greed

Time to play and strategize, my family's gotta eat

When we make somethin out of nothing

No pleasure in the suffering, neighborhood would be  
good

If they could cut out all the busting

The liquor and the weed the cussing

Sending love out to my block

The struggle never stops (unconditional love)

[Chorus]

I'll probably never understand ya ways

With everyday I swear I hear ya

Trying to change your ways while gettin paid at the  
same time

Just had a baby with the same eyes

Something inside, please let me die these are strange  
times

How come I never made it

Maybe it's the way the played it in my heart  
I knew one day I gotta be a star  
My hopes and all my wishes  
So many vivid pictures, and all the currency  
I'll never even get to see  
This fast life soon shatter us  
Cause after all the lights and screams  
Nothing but my dreams matter  
Hoping for better days  
Maybe a peaceful night, baby don't cry  
Cause everythang gonna be alright  
Just lay your head on my shoulder  
Don't worry bout a thang baby  
Girl I'm a soldier (huh)  
Never treated me bad, no matter who I was  
You still came with that, unconditional love  
[Chorus 3x until fade]
