My name you may or may not know  
is Juan Rodriguez Bermeo  
I am a simple man of christ  
believer in the afterlife

our whereabouts I cannot guess  
this ocean she's a wilderness  
our ship becomes a prison cell  
we sail for good queen Isabella

destination still unknown  
I feel the seeds of doubt being sown  
I hear the voices in myself  
colombo may he rot in hell

We're men of God , men of Spain  
with bible sword and musket came  
men of war , men of lies  
curse the man who made me  
Christoforo's eyes

our Captain he's a heretic  
we have no choice but seize the ship  
so help me Lord if I should die  
to see through Christoforo's eyes

as you're my witness here tonight  
he may not make it home alive  
he may not see the rising sun  
I smell his blood on every man

We're men of God , men of Spain  
with bible sword and musket came  
men of war , men of lies  
curse the man who made me  
Christoforo's eyes

the light does it deceive me now  
there's land out of the starboard bow  
sound the bell Colombo cried  
all hail to Christoforo's eyes

to every sailor in this fleet  
we have performed a noble feat  
but Christoforo , it is he  
who will go down in history

We' re men of God , men of Spain  
with bible sword and musket came  
men of war , men of lies  
curse the man who made me  
Christoforo's eyes

My name you may or may not know  
is Juan Rodriguez Bermeo  
I sail beneath the flag of Spain  
to serve and go where no man's been
