Sittin on da fence and I wonder to myself why the  
government don't legalize da ganja  
Jus di other day I was smokin on da way I see sum po  
po polus  
This is what I told the officer'Ä}...

This is the weed that we call purple skunk  
And I got it bulk, And I got it under my trunk (under my  
truuunnkk)  
But officer, Everyone knows that we got the weed flow  
And we aint gonna stop Until weed is sellin in stooores  
(sellin in stooores)

Just sing my song  
The whole world need to legalize ganja (ganja ga ga  
ganja)  
And the whole world is free to smoke on da corner  
(corner cor cor corner)  
We nah go get nooo arrestment from da police officer (  
officer offi offi cer)  
The whole world need to legalize ganja (ganja ganja)  
Dream over there can smoke on da plane  
Dream over there can smoke on da train  
Dream over there can smoke on da lane  
Or wit our frens up on da lane  
Police and soldier couldn't complain  
Weed alone is in my brain  
My weed songs are our train to fame  
From now on we lost them change  
Walk threw the air port nice and calm  
Wit my chalice in my arm  
Crushin a scliff in my palm  
Police dog smell wit no alarm(dog barkin)  
Dog see me  
Dog smell  
Dog keep kool  
Dog get used to da new dog rule  
Dog gone to da dog trainin school  
And dog get use to the new dog rules and no weedman  
diffrent from you  
Mr. Mr. Immigration  
Weed is the healin of my nation

Been on da earth since creation  
So please don't mind the spliff in my'Â¡.

Now the whole world need to legalize ganja (ganja ga  
ga ganja)  
And the whole world is free to smoke on da corner  
(corner cor )  
We nah get nooo areest me from the police offica

The whole world need to legalize ganja (ganja ga ga  
ganja)  
It's very clear in front my eyes  
Ganja weed should legalize  
Government should should get wise  
And give Chiney a big surprise  
Burger King n Popeyes servin' weed jus like fries  
Large, medium any size  
So drive around or come inside(beep beep)

Now the whole world need to legalize ganja (ganja ga  
ga ganja)  
And the whole world is free to smoke on every corner  
(corner cor cor corner)  
We nah go get nooo arrestment from da chief officer (  
officer Loe wi officer)  
The whole world need to legalize ganja (ganja ga ga  
ganja)

Dream over there can smoke on da plane  
Dream over there can smoke on da train  
Dream over there can smoke on da lane  
Or wit our frens up on da lane
