Life, is a journey, not a destination  
Listen to Marshall address di nation

As a yute one ting weh we learn (Growin up)  
If a nuh yuh business don't concern (Neva mon)  
As a yute anotha ting weh we learn (Growin up)  
Play wid fire then yuh must get burned (It's a must)  
As a man one ting weh we know (Straight up)  
Tink wah yuh put and yuh reap wah yuh sow (Then  
again)  
As a man anotha ting weh we know (Growin up)  
There will be times when tings maybe low

This life is one big road, filled with lots of signs  
Hey! But if you don't use your brain, you'll be walkin  
blind  
Yute, listen what the elders say, experience is the key  
Yo, Rome was not built in the day, that was thought to  
be, hey

As a yute one ting weh we learn (Growin up)  
If a nuh yuh business don't concern (Neva mon)  
As a yute anotha ting weh we learn (Growin up)  
Play wid fire then yuh must get burned (It's a must)  
As a man one ting weh we know (Straight up)  
Tink wah yuh put and yuh reap wah yuh sow (Then  
again)  
As a man anotha ting weh we know (Growin up)  
There will be times when tings maybe low

So we believe in pessimistic, but Marshall optimistic  
Take it to the heights of the natural mystic  
When your in this game it's not the thief take all your  
biscuits  
In the race of life it's called the fittest of the fittest  
Hey! Free now we nah fi answer to di British  
Come black people tek back we riches  
Stamina yuh a have to off to di finish  
In di race of life yuh gonna win it, win it, win it

As a yute one ting weh we learn (Growin up)

If a nuh yuh business don't concern (Neva mon)  
As a yute anotha ting weh we learn (Growin up)  
Play wid fire then yuh must get burned (It's a must)  
As a man one ting weh we know (Straight up)  
Tink wah yuh put and yuh reap wah yuh sow (Then  
again)  
As a man anotha ting weh we know (Growin up)  
There will be times when tings maybe low

One life is all we have to live, never give up think  
positive  
Don't let them stray you off your way  
Give thanks for life, like everyday everyday hey

As a yute one ting weh we learn (Growin up)  
If a nuh yuh business don't concern (Neva mon)  
As a yute anotha ting weh we learn (Growin up)  
Play wid fire then yuh must get burned (It's a must)  
As a man one ting weh we know (Straight up)  
Tink wah yuh put and yuh reap wah yuh sow (Then  
again)  
As a man anotha ting weh we know (Growin up)  
There will be times when tings maybe low
