If you ever change your mind  
About leaving, leaving me behind,  
Baby bring it to me.  
Bring your sweet loving.  
Bring it on home to me.

I know I laughed when you left.  
Now, I know, I only hurt myself.  
Baby bring it to me.  
Bring your sweet loving,  
Bring it on home to me.

I give you jewelry and money too,  
and that ain't all, that ain't all I'll do for you.  
Baby, bring to me.  
Bring your sweet loving,  
Bring it on home to me.

You know I'll always be your slave.  
'Till I'm buried, buried in my grave.  
Oh honey, bring it to me.  
Bring your sweet loving,  
Bring it on home to me.

You know I tried  
To treat you right,  
But you stayed out, stayed out 'till light.  
Bring it to me,  
Bring your sweet loving,  
Bring it on home to me.
