I know its over  
I taste it in your kiss  
But how it ever come to this  
How'd we let it get so strange

Baby I can remember a time not so long ago  
When I was all you longed to hold  
Aint to funny how things change

But I'll be here where you left me  
Standing in the pouring rain  
Just a prisoner of my pain  
And begging you to free me  
Oh I'll be waiting here sweet darling  
Like the day you left me behind  
And if you ever change your mind  
C'mon and free me

Run to him, run to him  
If theres someone new  
Cuz I only want the best for you  
And you know I always will

So I'll be here where you left me  
Standing in the pouring rain  
Just a prisoner of my pain  
And begging you to free me  
Oh I'll be waiting here sweet darling  
Like the day you left me behind  
And if you ever change your mind  
C'mon and free me

Oh yeah yea yea yea yea

Oh I'll be waiting here sweet darling  
Like the day you left me behind  
And if you ever change your mind  
C'mon and free me

And if you ever change your mind  
You can c'mon and free me
