When I look  
At your face  
You're still as pretty as an angel  
But there's something out of place

Whats wrong with you, baby  
I don't understand  
Is it just me  
Or do you want another man

Take My Hand  
Say you'll be true  
Say those simple words  
Oh, I love you, only you  
Take My Hand  
Oh, and hold it tight  
Take My Hand  
And everything will be alright

You still got the moves  
That blow me away  
And when you kiss me baby  
I still don't know what to say

Deep down inside me  
I know somethings wrong  
I'm still a fool for you honey  
Was I your fool all along

Take My Hand  
Say you'll be true  
Say those simple words  
Oh, I love you, only you  
Take My Hand  
Oh, and hold it tight  
Take My Hand  
And everything will be alright

Yeah, Yeah  
I got the feeling  
That you want a new life  
But I was hoping that someday

Oh, you'd be my wife  
I understand if you want someone new  
I can just about imagine how long it would take  
To get over you, Oh!

Take My Hand  
Say you'll be true  
Say those simple words  
Oh, I love you, only you!  
Take My Hand  
Oh, and hold it tight  
Take My Hand  
And everything will be alright

Take My Hand  
Say you'll be true  
Say those simple words  
Oh, I love you, only you!  
Take My Hand  
Oh, and hold it tight  
Take My Hand  
And everything will be alright
