Pinky promise

(Don't worry baby)
It's gonna be alright (5x)

Many late nights when she's all alone
She always calls me up on the phone
Begging me to come and spend the night
Because she wants to rub me in her honeycomb

CHORUS

What she needs is just a friend â€¦.like me
What she needs is just a good friend â€¦.like me
What she needs is just a friend â€¦.like me
What she needs is just a good friend â€¦.like me

Told her friends that I treat her right
And I love to vibe all day
Feels so good just to be around
A lotta times she don't want me to go away

CHORUS

What she needs is just a friend â€¦.like me
What she needs is just a good friend â€¦.like me
What she needs is just a friend â€¦.like me
What she needs is just a good friend â€¦.like me

After all
You can't deny
I took her where her feels
You can't go on
You can't pretend
That's why she's asking me again

CHORUS

What she needs is just a friend â€¦.like me
What she needs is just a good friend â€¦.like me
What she needs is just a friend â€¦.like me
What she needs is just a good friend â€¦.like me

It's gonna be alright (11x)

Repeated CHORUS
