Love how you do it baby do it (x2)

Ye (x3)

Love how you do it baby do it (x3)

Woahhh Listen!

[Chorus]

Nothing but love and affection (Ohhh)
And it's really a lovely thing (Such a lovely thing)
So glad I've made you my selection (Ohhh)
Girl you're my everything, my everything

Never knew love like this
Girl I must admit
Ever since you came into my life
It's been more than few years
Still no one compares, to you
So I really love the way you've got me feelin'

[Chorus]

When I am away
I always count the days
Just to come right back into your arms
Heaven must of sent you
I'm so in love with you
It's true
Girl, I really love the way you've got me feelin'

[Chorus]

Love how you do it baby do it (x2)

Ye (x3)

Love how you do it baby do it (x3)

Girl I really love the way you got me feelin'
